

Iceland State Convention
Akureyri 6th–7th May 2017

The theme of the convention: **Leadership and professional learning community**

The Icelandic State motto of the biennium 2015-2017 is: "Be active-strengthen our society". With that motto in mind the theme of the convention was chosen. All members in Delta Kappa Gamma can be proactive and take the lead, each in their own way. Together we can share valuable knowledge and experience to the community in the spirit of a professional learning community.

The convention will take place at **Kvosin**, The Akureyri Junior College hall (see photo at the end of this file).
